

Alan McCormick (Girls' Golf Head Coach)

Interview

Interview provided by Mike Hearn

1. Where did you go to High School?

I graduated from Harvard High School in 2000.

2. Where did you go to college?

I earned an associates degree from McHenry County College, then a Bachelor's degree from Northern Illinois University.

3. What sports did you play in High School and/or college?

In high school I participated in golf, basketball and baseball

4. What other schools have you coached at?

I have also coached at Marengo High School and Alden-Hebron High School. At Marengo I coached freshman volleyball and at Hebron I was the head sophomore basketball coach/varsity assistant for two years.

5. What do you, as a coach, bring to your sport?

I want to start a tradition for golf at BHS. Our numbers have been down since I have been coaching here, and I want to build on that.

6. What can the fans expect to see when they come and watch your team play? They will see a group of girls who are really into to golf and want to get better. They will see a group who has fun while playing, but who are very serious about the sport they play

7. What will be the best part of your job as a head coach?

Being able to watch the girls improve their game and their hard work paying off is the best part of my job. Just seeing where the junior girls are now and where they started three years ago is amazing. Also being able to be on a golf course everyday is a great perk of the job.
