Interview provided by Mike Hearn

1. Where did you go to High School?

I graduated from Schaumburg High School in 1998

2. Where did you go to college?

I attended Harper College for two years and transferred to Loyola University in Chicago my junior year. I am currently enrolled in the Masters of Educational Leadership program at Aurora University.

3. What sports did you play in High School and/or college?

I ran track in high school and college.

4. What other schools have you coached at?

While student teaching at Main West, I assisted the girls track and field coach.

5. What do you, as a coach, bring to your sport?

The most important thing I bring to the sport is my enthusiasm for running. From this comes knowledge and experience. Hopefully, these three things will help the athletes enjoy the sport while learning to "run smart".

6. What can the fans expect to see when they come and watch your team play?

Cross country meets are very exciting, especially at the finish line where athletes hold nothing back. At a meet, fans can expect to see a group of dedicated young ladies work together as they attempt to move up in a pack and improve their individual times.

7. What will be the best part of your job as a head coach?

The best part of my job as a coach is witnessing athletes work towards and accomplish their goals.
